### LETTER FROM DR. W. H. DADE.

Alcala, Province of Cagayan, Department of Northern Luzon, Philippine Islands, February 15th, 1901.

Dear Cousin Arch:—If the two conditions I am going to mention will not cause your hasty emigration to the Philippines, I am at a loss to know what will, and shall consider further efforts in that direction as useless. Those two conditions are: The opportunity to make money rapidly, and the pleasure of hunting all kinds of game, almost without effort in either case. What more could you wish, or what more could I offer?

The banks in Manila are the most unaccommodating, detestable, crazy institutions one could possibly have any dealing with. They have the gall to charge their depositors a pretty healthy, for them, per cent, for the honor of putting their money in bank. And if some lively, gentlemanly and courteous American would come here, with \$25,000 or less, and open a bank in any of the larger cities of this island his fortune would be assured in five or ten years. Of course it will be done shortly, but "first come is first served." \*\*\*

The banking business is only one way among a hundred others to make money here, and as soon as I can give up my contract with the army I am going regularly into the business of getting rich in a hurry. I know it can be done. I am now able to read, write and speak Spanish almost as well as I can English, which is very essential to life and business pursuits in these islands, where nothing else, save a few dialects, has been spoken for hundreds of years. In five years, the English now being taught in all the schools, will take its place largely,

but I can't wait five years to go to work.

Lumber, tobacco, cattle, sheep and hog trading posts are some of the numerous ways that will return one hundred per cent, for the money invested. You will no doubt ask the question: "Why has it not been done before." The answer is simple enough. The natives and the Spaniards for a century have been at daggers points. The Spanish were afraid if the natives accumulated wealth they would lose control of them, and in return the natives replied by saying: "If we can not you shall not," and so it stood. Naturally, since our forces took possession things have been in such a disturbed state nothing could be done. But I have observed closely, so that when the time of peace and tranquility arrives I would know what is best to do at once, for then the rush will commence in earnest, and the servant of to-day will be like the servant of old who, if he buried his talents in the fear of loss, and in the day of final reckoning, had only his original talents to show for his work. All fortunes are made upon the basis of supply and demand. If the demand is great and you can furnish the supply your success is assured. Here the demand is great, and I am studying to supply it. As to the healthfulness of this island, I will say I do not consider Manila unhealthy, but not so healthful as this, the northern Department of Luzon, which, without exception, is the most delightful as well as the most healthful place I have ever seen.

For the hunting to be had it can not be surpassed by any place in the world, India not excepted. Deer, wild caraboo, (some of them weighing 1,500 pounds) wild hogs, wild dogs, equal to wolves, chickens, ducks, snipe, woodcock, doves, quail, very small in size,

alligators, and nearly all the game known to the tropics, can be found in the greatest abundance. Monkeys in countless troupes, toucans, parrots, grullas, some of them measure when standing erect five feet, ten inches. They inhabit the plains, and are found in one province of this island and nowhere else in the world. They look at a distance like a man walking in a stooping posture. I killed one with my rifle 256 yards off that measured the above-named height. The breast is dark, but very excellent food and much sought after by the natives. All of these birds and animals furnish excellent diversion for one who goes to the mountains for an outing, with the idea of having a general good time and of taking what comes without keeping in mind any special class of game.

The caraboo, alligators and wild hogs furnish a sport not unmixed with the greatest danger, for any one of them, if wounded, will put up a combat that would do credit to an animal with a much greater reputation for bravery. If this is too tame then you can look further and get the animal of our own species, the Head-hunter or Igorrote, who will show you a very merry time, indeed, and of whom I will tell you more at another time. With love for your good wife, son and self,

I am, affectionately, your cousin,  
WALLER H. DADE.

Like a flash of lightning, sudden and startling, disease strikes down many a man. Yet there have been warnings upon warnings, unheeded. Food has lain like a heavy weight in the stomach after eating. There have been belchings, bitter risings in the mouth, nervousness, sleeplessness and growing irritability. Instead of listening to these warnings, recourse has been had to some of the nerve numbing palliatives that cover but never cure disease. Many serious diseases begin in a diseased condition of the stomach and organs of digestion and nutrition. For such diseases there is one medicine which rarely fails to effect a complete cure. Dr. Pierce's Golden Medical Discovery cures ninety-eight per cent. of all who give it a fair and faithful trial. It is a temperance medicine and contains no alcohol.

"I was afflicted with what the doctors called nervous indigestion," writes Mr. Thos. C. Lever, of Lever, Richmond Co., S. C. "I took medicine from my family physician to no avail. In looking over one of Dr. Pierce's Memorandum Books, I found my case described exactly. I wrote to you and made a statement. You sent me a descriptive list and a letter. I carried that out as best I could, but thought myself incurable as I suffered so much with pain under my ribs and an empty feeling in my stomach. At night would have sold or hot feet and hands, alternately. I was getting nervous and suffered a great deal mentally, thinking that death would soon claim me. Always expected something unusual to take place, was irritable and impatient, and greatly reduced in flesh. I could scarcely eat anything that would not produce a feeling in my stomach. After some hesitation, owing to my prejudices against patent medicines, I decided to try a few bottles of Dr. Pierce's Golden Medical Discovery and 'Pellets.' After taking several bottles of each, found I was improving. I continued for six months or more, off and on until I was cured."

Dr. Pierce's Pleasant Pellets are a positive cure for constipation.

### STATE COLLEGE GYMNASIUM

The foundation of the new Gymnasium of Kentucky State College at Lexington has been completed and arrangements have been made for the corner stone to be laid during the Knights Templar Conclave with Masonic honors. The Grand Master of Kentucky has been asked to preside at this meeting, which will be the 16th of May.

The ceremonies will be under the auspices of Lexington and Devotion Lodges of Free and Accepted Masons of Lexington, Ky. and will be attended by many of the Knights Templar who will be in the city at that time. Blue Lodge Masons throughout the State are interested in this and will doubtless attend in great numbers.

Special low rates have been made on account of the Conclave.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or water-brash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. South & Longmoor and W. McKee Hardie.

### THE HENRY SALE.

The sale of cattle, horses, mules and hogs, held at the Henry place, in Thorn Hill, on Tuesday last, brought out a good crowd and good prices were realized for every thing sold. Horses brought from \$100 to \$250. Yearling steers went skyward, while two and three year olds brought top prices. Mules brought from \$50 to \$125 per head.

Altogether this was one of the best sales held in this county for a long time.

### VISITED US.

One of the teachers of the Midway Orphan School came here on Saturday, accompanied by 28 of the pupils, on a sight-seeing expedition. They had a good time and returned home highly pleased with their visit.

## Scott's Emulsion

of Cod Liver Oil is the means of life, and enjoyment of life to thousands: men women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food, when you hate it, and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

SCOTT & BOWNE, Chemists, 405 Pearl Street, New York, 80c. and \$1.00; all druggists.

### MEETING AT THE CHRISTIAN CHURCH.

The protracted meeting held at the Christian Church in this city has grown steadily in interest from the beginning. Large congregations have attended the night meetings, and fairly good those held in the afternoon.

Rev. Lloyd Darsie, brother of the pastor, Rev. Geo. Darsie, has preached plain, practical and tender sermons, well calculated to win the attention and serious consideration of his audiences.

There have been a number of additions to the church, principally from the Sunday-school.

The meetings will continue, afternoon and evening, all next week.

We trust that great good may be done by these meetings.

Pneumonia follows la grippe, but never follows the use of Foley's Honey and Tar, the great throat and lung remedy. South & Longmoor and W. McKee Hardie.

### COUNTRY FIRE.

The comfortable country home of Mr. John H. Bowen, just beyond the Forks of Elkhorn, caught fire about noon, on Monday, and was burned to the ground with all its contents.

Mr. Bowen and his wife were in this city at the time, and were notified by telephone of the disaster.

Mr. Bowen estimates his loss at a little the rise of \$2,500, with only \$1,500 insurance.

He will rebuild as soon as possible.

Biliousness is a condition characterized by a disturbance of the digestive organs. The stomach is debilitated, the liver torpid, the bowels constipated. There is a loathing of food, pains in the bowels, dizziness, coated tongue and vomiting, first of the undigested or partly digested food and then of bile. Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. Try them and you are certain to be pleased with the result. For sale by J. W. Gayle and South & Longmoor.

### CHANGES IN LOCATION.

Mr. W. H. Hoge has rented the Hunt place, South Shelby street, and has moved in with his family. This is an exceedingly comfortable home.

Mr. A. Pilkington has rented the former residence of the late Gen. John Rodman, from the owner, Mr. R. W. McRery, and will move in about the last of this month.

### CURED A RUNNING SORE.

"I had a bad running sore on my breast for over a year," says Henry R. Richards, of Wilkesville, N. Y., "and tried a great many remedies, but got no relief until I used Banner Salve. I can not recommend it too highly, and will never be without it in the house."

### COURT DAY SALES.

Mr. H. G. Davis made the following sales of stock on Monday (county court day): 8 two year old steers at \$28 each; 8 yearling heifers at \$21.88; 1 milk cow \$28.50; 22 sheep at \$6.25, with a number of lambs, thrown with dams. Cattle market reported dull.

Nine chances in ten it's your kidneys that need attention if you don't feel well. Foley's Kidney Cure makes healthy kidneys and will make you well. Nothing else "just as good." South & Longmoor and W. McKee Hardie.

### ABLE MAN DEAD.

Judge Ben F. Buckner, former circuit court judge of the Fayette district, but of late years a prominent attorney at the Louisville bar, died at the home of his daughter, Mrs. Goff, in Winchester, on Monday.

Judge Buckner was an able but rather peculiar man, and had been in poor health or some time.

### BEWARE OF A COUGH.

A cough is not a disease, but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and if properly treated as soon as this cough appears are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and extensive sale by its success in curing the disease which cause coughing. If it is not beneficial it will not cost you a cent. For sale by J. W. Gayle and South & Longmoor, druggists.

### FORGOT TO RETURN IT.

A man by the name of Henry Kelly borrowed a horse on Monday (county court day), came to town and was taken with the swamping fever in Jockey Alley, and sold the horse. The owner did not like that way of disposing of his horse, and had Kelly arrested and lodged in jail.

Sound advice to those who have kidney and bladder troubles, is to take a safe, sure medicine like Foley's Kidney Cure. It always benefits the kidneys. South & Longmoor and W. McKee Hardie.

### SAD DEATH.

We regret very much to announce the sudden death of Mrs. Anna Browninski Wright, wife of Rev. Julius E. Wright, Presiding Elder of the Shelbyville District, M. E. Church, South (but formerly of this city). Mrs. Wright died from the effects of an operation at Norton Infirmary, in Louisville, on Tuesday.

We tender our sincerest sympathy to our friend in his deep sorrow.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered," so writes A. H. Spafford, Chester, Mich. South & Longmoor and W. McKee Hardie.

### TERRIBLE CONFLAGRATION.

The city of Jacksonville, Fla., was almost wiped out by fire on Saturday last.

About 100 blocks of houses, both business and dwelling, were

burned, leaving about 12,000 people homeless.

The loss amounted to about \$10,000,000.

### A CASE FOR THE POLICE.

There is a crowd of boys who collect nightly at the corner of Fourth and Steele streets, South Side, and make themselves nuisances generally to the residents of that section. They have gone so far as to stone the houses of some of the good people living there, frightening ladies and children.

This is a case demanding the interference of the police before further trouble arises. Patience some times causes to be a virtue, and the residents may take the matter in hand and a dose of lead be administered.

## Nerves that Die

For lack of nourishment are just as dead as though they were severed with a knife. In either case the base of supplies has been interfered with. Nerves that need nourishing make their wants known through headache, backache, loss of appetite, indigestion, fluttering of the heart, irritability, sleeplessness, and general weakness. Feed the hungry nerves, build them up and make them strong and vigorous, full of vim, vitality and power, with the great nerve food and tonic, Dr. Miles' Nervine.

"Although an old pensioner, I scarcely knew a sick day all my life till two years ago. I had La Grippe, it settled in my back and I was bedfast for four months. I was so nervous and restless that I could not sleep at all. A neighbor advised Dr. Miles' Nervine, and after taking the second dose I slept naturally. After that I grew better fast until I was well." W. O. MATTHEWS, Springdale, Ark.

## Dr. Miles' Nervine

quiets the nervous irritation, stimulates the digestion and fills the blood with just the nourishment needed for weak and run-down conditions. Give it a trial.

Sold by druggists on guarantee.

#### RUNAWAY.

As Mr. Albert F. Kirtley, one of our Letter Carriers, was coming out of the grounds of the Institute for Feeble-minded Children, on Thursday morning, the horse he was driving took fright, while Mr. Kirtley was out of the delivery wagon, attempting to shut the gate, and ran down the hill, through Main street, to the livery stable of Messrs. Mangan & Darnell (where it belonged). In its fright the horse ran into a buggy on the hill, tearing off one of the wheels of the mail wagon, and dragging the vehicle at its heels.

The runaway came near causing several other horses to run out, as they were frightened by the crippled wagon. Luckily no one was hurt.

#### FOUGHT FOR HIS LIFE.

"My father and sister both died of consumption," writes J. T. Weatherwax, of Wyandotte, Mich., "and I was saved from the same frightful fate only by Dr. King's New Discovery. An attack of pneumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few month's use of this wonderful medicine made me as well as ever and I gained much in weight." Infallible for coughs, colds and all throat and lung trouble. Trial bottle free. Guaranteed bottles 50c. and \$1. J. W. Gayle.

#### THAT ASYLUM SCANDAL.

A dirty mess has been stirred up by the removal of the Superintendent of the Western Lunatic Asylum, at Hopkinsville. Grave

charges of immorality have been made against both the Superintendent and the Acting Superintendent, and the State Inspector comes in for his share of the trouble.

A searching investigation ought to be made by clean men, and a thorough overhauling given. But that will not come. There is too much politics at the bottom.

For a stiff neck there is nothing better than a free application of Chamberlain's Pain Balm. It quickly relieves the stiffness and soreness, effecting a complete cure. For sale by J. W. Gayle and South & Longmoo.

Infantry, were mustered out at Presidio, Cal., on Monday and started for home Tuesday afternoon. They will reach this city to-morrow (Sunday) morning at 10:18 over the C. & O. from Louisville.

Their coming on Sunday will prevent a public reception, which it had been intended to give them on arrival.

#### TELLS WHAT IT WAS.

We published a notice of a singular bird killed by Mr. Rozell, last week.

Below we give a note from Mr. Speed telling what it was:

1046 Fifth St., Louisville, Ky., May 7, 1901.

A marked copy of the Roundabout just to hand, containing the description of a bird killed by Mr. Rozell, on Kentucky river. The bird is undoubtedly a male of the Black-crowned Night Heron.

Yours truly,  
 JAMES SPEED.

#### A VERY REMARKABLE REMEDY.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by J. W. Gayle and South & Longmoo.

## LION COFFEE

When you buy an unbroken package of LION COFFEE you have coffee that is absolutely pure, strong and invigorating. A single pound makes 40 cups. No other coffee will go so far. You will never know what it is like till you try it. LION COFFEE is not a glazed compound, but a pure coffee and nothing but coffee.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
